 **LANDMARK**  
OUTDOOR

## A new **landmark** in the ceramic industry

Landmark ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US made top quality porcelain tiles.

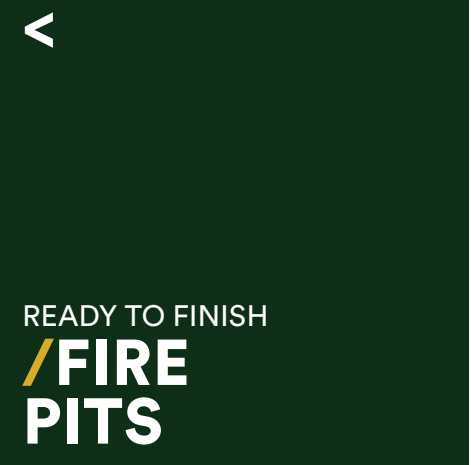

**Landmark Outdoor Living** is the new system of outdoor high quality fire features, preassembled and ready to finish, that can be customized by choosing any option of look and color from the **broad range of porcelain veneers, tiles, pavers, bricks and mosaics from Landmark's offerings.**

**It is a complete project**, engineered to be the easiest, fastest, and most efficient system for building custom outdoor fire features, and designed to replace labor intensive concrete and mortar construction, improving your options with flexible solutions.

**Landmark outdoor living products** can be configured into any shape or size, will accept any brand of burners, and can be completed with any high quality porcelain veneers, pavers, tiles, bricks or mosaics of your own choice from the Landmark catalog.

In addition to that, you can decide to complete your fire pit or fireplace by **choosing any custom countertop available in our range** or by asking your most trusted fabricator for an alternative.

We designed our outdoor living products with the cost conscious contractor in mind, because we understand that efficiency on the job site is the only driver of profitability. Our customers enjoy greatly reduced labor costs, and virtually no clean up when compared to concrete block based fire features or any other construction option available on the market.

## 1/FASTER AND MORE EFFICIENT TO BUILD

Landmark outdoor living means less time on the job site, therefore bigger profits. All fire features arrive at the jobsite always preassembled and ready to finish. In addition, Landmark porcelain veneers and tiles are supplied with the special, time consuming 45-degree corner trim cuts already done. This will save significant amount of time during installation and, at the same time, will considerably streamline the process, avoiding errors and enhancing the quality and precision of the final result.

## 2/TOTAL LOOK

With Landmark outdoor living you can obtain total look solutions by coordinating your fire pit or fireplace finish with tiles and pavers used for your outdoor space, selected among the wide Landmark range of porcelain pavers, veneers, mosaics, bricks or tiles.

## 3/FREEDOM

When it comes the time to finish your fire feature, you can source out any kind of look and color available within Landmark Porcelain materials offering. From Marble to Stone, from concrete to wood, from limestone to quartzite or travertine. An almost endless set of options for your outdoor space.

## 4/APPEAL

Once finished, landmark high quality fire features look always very refined and elegant, thanks to the high aesthetical featured of the Landmark high quality porcelain Veneers, Tiles, Pavers and Mosaics (\*).

## 5/PRECISE INSTALLATION, BETTER RESULT

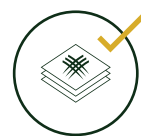

Landmark porcelain veneers and tiles are supplied with the special 45-degree corner trim cuts already done. This will streamline the installation process, avoid errors and enhance the quality and precision of the final result.

## 6/FLEXIBILITY

Landmark outdoor living fire features are light and easy to transport, and can be installed almost anywhere, including on an existing slab or on wood decks.

## 7/DURABILITY & QUALITY

All the components are made of the best quality material and the final porcelain finishing process offers all the unique performances of the best porcelain:

### SCRATCH RESISTANCE

Porcelain is extremely hard and cannot be scratched easily, not even with metal fire pits tools.

### EASY TO CLEAN

Porcelain is easy to clean and able to withstand any cleaning agent: even the strongest.

### FIRE AND FLAME RESISTANCE

Porcelain is fired at approx. 2500 F and withstands high temperature. It doesn't release smoke and doesn't burn when exposed to flames.

### DOES NOT DISCOLOR

Porcelain doesn't dye off or suffer discoloration. In addition, it is UV resistant.

### FREEZE RESISTANCE

Porcelain is impervious and doesn't absorb water.

### HUMAN FRIENDLY

Landmark Porcelains is Declare certified that means that it is red list ingredient free. In addition, it's Well Certified for better human health in building.

### ENVIRONMENTALLY FRIENDLY

Landmark Porcelains is Leed V4 approved and Green Square Certified.

## /LANDMARK OUTDOOR LIVING SYSTEMS ARE BUILT FROM

/Marble or Granite tops  
from our own selection.

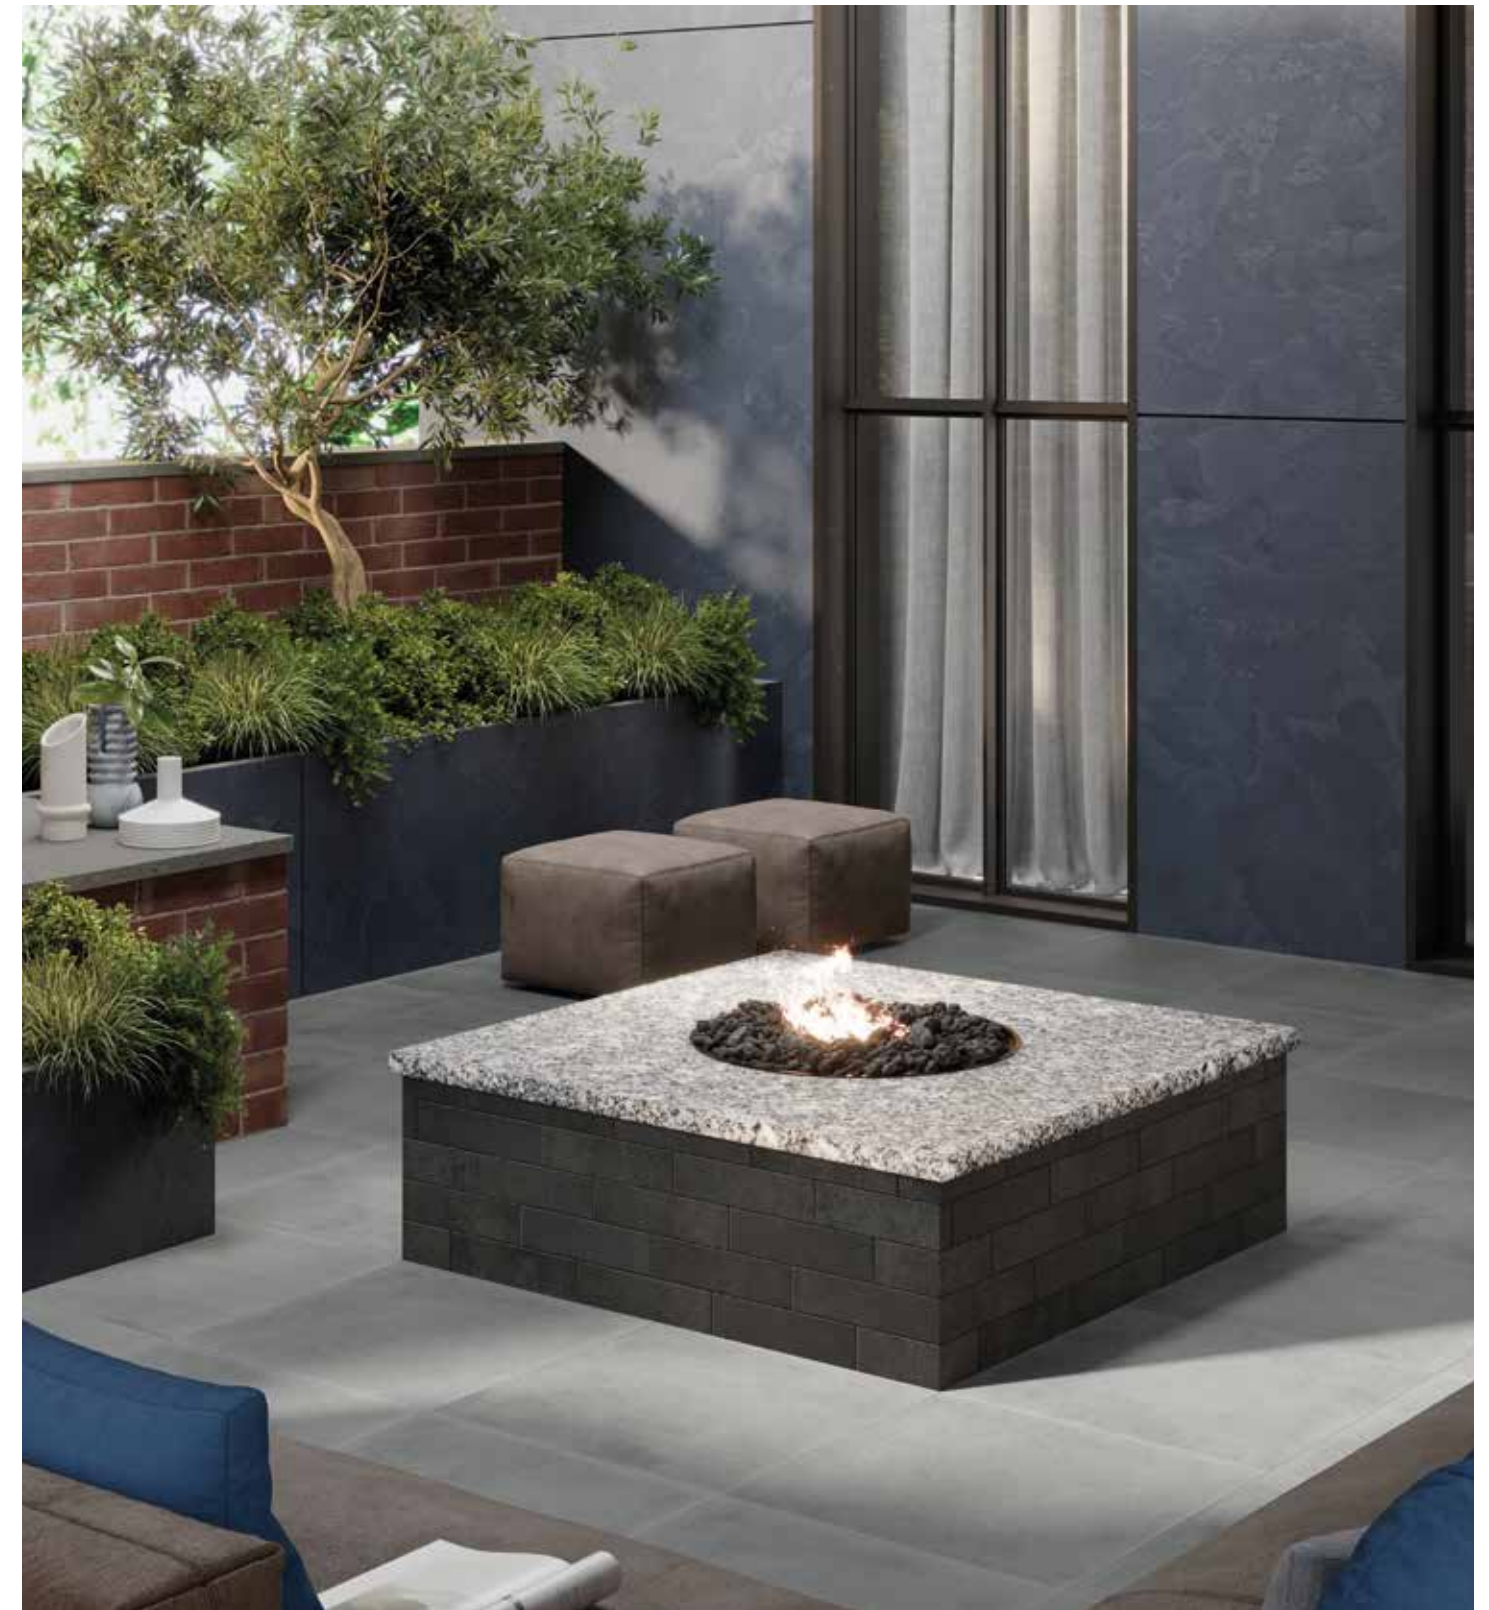

/Burners  
Designed as gas burning.

/16 gauge cold-rolled  
galvanized steel.

/Landmark Porcelain Veneers,  
bricks, Tiles, pavers and  
Mosaics of your own choice  
from our wide offering.

/Revolutionary **magnesium oxide (MgO) board**, a product that is two times green, both to the environment and to people. MgO board is exceptionally strong, will not grow mold or mildew, is not effected by freeze/thaw cycles and has a class "A" fire rating.

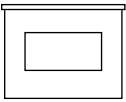

/The systems' lightweight and **built-in leveling design** allows most fire features to be placed on an existing patio slab, without the need of extra footings. An added benefit is the built-in raised floor.
