A new **landmark** in the ceramic industry

Landmark Ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US made top quality porcelain material.

LANDMARK GRIP TILES

Porcelain Tiles Grip Finish

An excellent choice for both outdoor environments and indoor wet areas, offering a blend of safety and style. Porcelain Grip Tiles provide enhanced slip resistance, making them ideal for any outdoor space such as pools, decks, patios and terraces and indoor environments like spas, indoor pools and bathrooms.

Available in various designs and looks, they combine practicality with aesthetic appeal, seamlessly blending into any setting while prioritizing safety and comfort.

The color of tiles printed in this catalog may differ from actual tiles. Tile color reproductions in this catalog are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a color, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of color as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible color difference.

- B CEMENTITIOUS BOND COAT
- C MEMBRANE
- D UNBONDED MORTAR BED
- E REINFORCING
- F CONCRETE, ON-GROUND OR ABOVE- GOUND

The stratigraphic images are just an example of the type of application and technical features of Porcelain Grip Tiles. Landmark Ceramics recommends to refer to the specific norms valid in the various countries to carry out a state-of-the-art installation. Visit lcsa.com for practical installation information.

RECOMMENDED USE FOR GRIP FINISH PORCELAIN TILES (ALL COLLECTIONS)

These products are recommended for indoor and outdoor floors and walls, in commercial and residential application, especially where antislip features are required. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer. Visit <https://outdoor.landmarkceramics.com> for detailed instructions of installation.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Landmark products looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcsa.com for further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of this catalog. For more information, please visit our website at lcsa.com.

PHYSICAL PROPERTIES	TEST ASTM	NORTH AMERICAN STANDARD A137.1*	RESULTS
Water absorption *	C373	≤ 0.5%	COMPLY WITH ANSI A137.1
DCOF Average dynamic coefficient of friction **	ANSI A.326.3	As reported	EW - Exterior, Wet
